Mr. Rueben Murrell
R.R.#8, Box 153
Decatur, Illinois 62522

Dear Mr. Murrell:

This letter is to clarify the locations of the two properties noted on a letter sent to you by this office on March 26, 1982. Those locations were incorrect. Also, the date on the letter should have been 1982, not 1981. The two locations sited should be:

1. The NE corner of the intersection of Twin Lakes Road and Hill Road.
2. South of the intersection of Joynt Road and Hill Road.

I am sorry for any inconvenience this may have caused; however, it is still expected that the conditions of the first letter be met on time.

Yours truly,

Jerry C. Andrews
Director of Environmental
Health
